

March 2023 Monthly Report

MAR 1:

Started road survey

MAR 5:

Email sent to holding company of Whitehead Road abandoned home requesting a cleanup timeline.

MAR 7:

Attended trustee meeting. Received culvert replacement permit from Vermont resident.

MAR 8:

Contacted Frontier about telephone poles leaning into roadway. Frontier will send someone out Thursday morning. Got email from concerned resident voicing concern of possible violations to the ORC and twp regulations.

MAR 9:

Met with a resident to discuss cleaning up his property 22044 st rt 301. Resident agreed his property needed cleaned up and would proceed with cleanup. We agreed to meet again in 2 weeks to check progress. Frontier visited Smith Road just east of 301 and has generated a repair ticket for the leaning poles.

MAR10:

Inquiry from Vermont Street resident about accessory building regulations. Resident will reach out for certificate to build in a few months.

MAR 15:

No activity noticed at vacant Whitehead property. Called Cypressx left message.

MAR 17:

Phone call to Cypressx. Contract has been signed for perimeter cleanup of home at 20243 Whitehead Road. Property is currently in pre-foreclosure state.

MAR21:

Vermont Street resident inquired about garage addition.

MAR 23:

Met with resident of 22044 st rt 301. We discussed his progress and agreed more clean up was in order.

MAR 28:

Email from appraisal company wanting Jones Road property clarification. Email from Cypressx informing us that white head vacant home owner is looking to repair home,
